PROFESSIONAL EXPERIENCE

UWC Adriatic, Duino, Italy

since August 2016

Economics Teacher and Residence Tutor

- Teach International Baccalaureate (IB) Economics at both Higher and Standard Levels.
- Supervise students' social service visits to a retirement home in nearby Trieste, cultural visits to various Italian cities, as well as the school's Model UN activity.
- Pastoral, tutorial and residential responsibilities, including the supervision of a College Life course about student welfare.

Institute for Financial Policy (IFP), Ministry of Finance, Bratislava, Slovakia

June 2016

Research Intern at the Structural and Expenditures Policies Department

Built indicators and analyzed data on the quality and effectiveness of Official Development

- Using large-scale administrative data, analyzed patterns of mobility within Slovakia, as well as the determinants of Slovak's decision to leave for abroad. With co-authors, published a report on brain drain in Slovakia that received a great deal of media attention.

The World Bank, Washington, DC

February 2010 – August 2010

Research Assistant in the Development Economics Research Group (DECRG)

- Managed large amounts of data from several waves of World Bank-sponsored household surveys in Northern Pakistan, conducted in the wake of a major earthquake, as well as surveys of medical patients and health care providers in central India.
- Performed econometric analyses to determine the impact of Pakistan's 2005 earthquake on local residents' socio-economic, educational and health outcomes.

Center for Strategic and International Studies, Washington, DC Sept. 2009 – Dec. 2009
Research Intern under Mr. Steven Schrage, former U.S. Deputy Assistant Secretary of State

- Researched international trade and finance topics. Analyzed policy research and news developments relevant to G-20 summit negotiations and U.S. economic competitiveness.
- Prepared charts and checked facts for “The United States and Korea – Leading Beyond the Storm: The G-20, Trade and a Roadmap for the Alliance,” an expert report on the importance of the U.S.-Korea Free Trade Agreement.

NERA Economic Consulting, White Plains, NY / Los Angeles, CA July 2008 – May 2009
Research Associate at a major international economic consulting firm

- Data management, econometric analysis and market research in the Antitrust and Intellectual Property practice with a focus on commercial litigation and mergers in the health care industry
- Projects have included mergers of health insurance and waste management companies, commercial disputes between medical supplies manufacturers, as well as a *pro bono* case involving the eligibility policies of shelters for the homeless in a major U.S. city.

Adam Smith Institute, London, UK Summer 2007
Research Fellow at a leading policy think tank in the United Kingdom

- Published *Open Access for UK Schools*, a policy proposal advocating a reform of the British public education system to enhance competition between schools and to expand educational options for children from low-income families.

Transparency International, Bratislava, Slovakia Summer 2006
Summer Intern at the Slovak national chapter of a global civil society NGO devoted to issues of transparency and leading the fight against corruption on both international and national levels

- Researched economic literature and wrote up reports on government-owned enterprises, public-private partnerships and public service benchmarking.

TEACHING EXPERIENCE AND AWARDS

Courses taught as the primary instructor:

International Baccalaureate (IB) Economics HL and SL, UWC Adriatic, since August 2016

- Demanding secondary school economics course that covers microeconomics, macroeconomics, international economics and development economics.

Principles of Microeconomics (Master’s level), Instructor, Harvard University (every summer since 2013)

- An overview / refresher course in microeconomics for incoming mid-career Master’s students at the Harvard Kennedy School.

Nobel Prize-Winning Contributions to Economics (undergraduate seminar), Instructor, Harvard University, Department of Economics (Spring 2013, Spring 2014, Spring 2015, Spring 2016)

- I designed every aspect of this popular undergraduate seminar, and have regularly updated the syllabus to include new Nobel Prize laureates.
- Received a Certificate of Distinction in Teaching for student evaluation scores of at least 4.5 / 5.0 in most semesters.
